**GOOD OXEN.**—A. B. Hardy, of Potton, Vt., recently sold E. F. G. Bodwell, of St. Albans, a pair of oxen, four years old, very large, handsome, and well matched, for \$250.

**NEW SLATE QUARRY.**—Messrs Adams and Brown, a few days since, opened a new quarry of slate, near their factory in Castleton.

**THE match game of base ball,** at Sheldon yesterday, between a picked nine of the Sheldon Club and nine of the Eagles, of St. Albans, resulted in a victory for the latter. The score has not been furnished us for publication.

**PASSUMPSIC RIVER.**—The Lyndon Union, in speaking of this River, says: The stream is not a large one, but furnishes motive power to many mills and manufactories, and is therefore regarded with very kindly feelings by the inhabitants. The railway is obliged to cross it about 30 times in 25 miles, and in one section of 7 miles there are 11 bridges, averaging 35 feet in length.

**SERIOUS ACCIDENTS.**—We learn from the Rutland Herald that Dr. S. D. Hazen, of East Wallingford, was thrown from his horse on Thursday morning, when on his way to visit a patient in Mt. Holly, and seriously, if not fatally injured. His horse stepped on a rolling stone and stumbled, throwing the rider over his head, and trampling and falling on him. The Doctor is very much man-

gled about his head, and a limb fearfully sprained, if not broken, and it is feared he has sustained severe internal injury. He lies in a very critical condition.

**Mr. Even Severance,** of Middlebury, an old gentleman of about eighty years of age, met with a severe accident on Tuesday evening. He was residing with his son-in-law, Col. Knapp, and rising to answer a ring at the door, made a mistake, and, going through the cellar door, instead of the outside door, he fell to the bottom of a long flight of stairs, and was severely injured. A severe bruise upon the hip and chest and a gash on the head being the worst of his hurts. Dr. Rose is attending him, but his recovery is doubtful.

**DROWNED HIMSELF.**—On the afternoon of Wednesday last, Patrick Connaughton, of this place, brought in and left at our office, a white felt hat, with the name of R. F. Field, dimly written on the outside with a pencil. He said he found the hat on the right bank of Otter Creek, a few rods above where East Creek intersects, and that a small stick was placed on the rim of the hat, as if to keep it from being blown away. Since then we learn that R. F. Field, of this place, left home that afternoon in a state of despondency, and was seen going in the direction of where the hat was found. He left a note at his house directed to his wife, saying that his body could be found in Otter Creek. Search was made on Wednesday afternoon, and on Thursday afternoon Mr. Chester Kingsley got his grappling hook attached to something, and found it was the body of the late Mr. Field. He was found two or three rods below where the hat was found, and where the water was eighteen feet deep.—*Rutland Courier*, 18th.

**A HERO PAUPER.**—There is a town pauper 82 years of age in Middletown, who was in the battle of Lake Erie, was one of the seven that rowed Commodore Perry from the Lawrence to the Niagara, received three wounds in the action, and carries in his chest a ball that he received on that day.

**GRAND RALLY AT PLATTSBURGH.**—The Republicans of Clinton County, N. Y., are arranging for a grand rally at Plattsburgh, on the 7th of October.

Arrangements have been made to secure the attendance of our Vermont Republicans in large numbers and there will be a grand Republican Jubilee of the people on both sides of the Lake; it will be addressed by Gen. Sickles, Senator Wilson, Senator Edmunds, Judge Poland, and a number of other able speakers. The railroads and steamboat companies have agreed to transport passengers on most liberal terms, and Vermont will send an immense delegation to this meeting.

**THE Woodstock Standard** announces the death of Stephen Raymond, an old and well known citizen of Pomfret, who died on the 10th, at the age of 76 years. He had been in failing health for several months and about two weeks before his death experienced a shock of palsy.

**NASBY IN ST. JOHNSBURY.**—Mr. D. R. Locke (Petroleum V. Nasby, P. M.) will deliver his lecture entitled "Cursed Be Canaan," in St. Johnsbury on the evening of the 6th of October.

**THE Northern Association of Universalists** hold their annual meeting at St. Johnsbury on Wednesday and Thursday of next week.

**CENTENIAL ANNIVERSARY.**—The centennial anniversary of the old south church at Windsor, will be celebrated on Monday next, Sept. 21. The exercises will be somewhat as follows: A commemorative address, by Rev. Asa D. Smith, D.D., President of Dartmouth College. An historical address, by the present pastor of the church; an original poem, written for the occasion; a public dinner, with such brief speeches, personal reminiscences, &c., as those present may offer.

**CANADIAN ITEMS.**—The St. John's News says: Among the premiums awarded on harnesses at the Provincial Exhibition now being held at Montreal, we are pleased to notice that Mr. John Gough, of Bedford, received two first-class prizes. One was for a very elegant single harness, with new style of trimmings, and another for an excellent draught harness. We congratulate Mr. Gough on this satisfactory testimony to the superiority of his workmanship.

**Mr. Sullivan,** of St. John's, caught recently, a few miles below the town, a large black eagle (white head) weighing forty-five pounds, and measuring 9 feet 8 inches from the tips of his wings. The eagle was secured after considerable difficulty, and is still alive.

Among the names familiar to our readers of successful competitors at the Provincial Exhibition, we notice those of the Hon. A. B. Foster and E. Longly, of Waterloo; M. H. Cochrane and Peter Robinson, of Lacolle; M. McNaughton, Godmanche ter; P. H. Moore, W. H. Krans, and H. S. Troop, St. Armands. Both Mr. Cochrane and Mr. Foster carried away a host of prizes.—*News*.

## The Sheldon Fair.

Our expected report of the third day's proceedings of the Sheldon Fair has failed to come to hand, which we much regret. The day was mostly taken up in the trial of speed horses. For the first purse of \$50, open to all horses owned in Franklin County, there were two entries: Lady Flora, owned by Peter McEnany, and Gipsie Witch, owned by Mr. Chadwick. Lady Flora won the purse; time, 2.40.

For the second purse of \$35, open to all horses in Franklin County that never trotted for a first-class purse, there were five entries, viz.: Limber Jim, Thomas Tierney; Nimrod, John P. Draper; and horses owned respectively by Julius Hubbert, Lawrence Brainerd, and F. N. Johnson. Limber Jim won the race.

The running race for \$25, open to all horses owned in the County, was easily won by Lady Hall in three straight heats.

The Fair has been a success peculiarly and otherwise, which must be gratifying to the managers. We shall publish a list of the premiums as soon as furnished by the Secretary.

**SPLENDID FRUIT.**—G. W. Whitlock, of Burlington, who unites to his business of supplying the State with the best and hardiest fruit trees a thorough love of hand-some fruit, exhibited at the Fair, at Sheldon, a fine store of pomological wealth. A year ago he exhibited at the American Hotel, in this place, one of the finest collections of apples, pears, grapes, plums, etc., selected from orchards and gardens in our own village and county; showing that as fine specimens of many kinds of fruit can be grown here as one will often find; and especially is this true of the flavor of such fruit as flourishes out of doors in this region. Mr. Whitlock showed at our fair this year forty-six varieties of apples; thirty-two varieties of pears, and twenty-one varieties of grapes; all being varieties suited to this latitude. The same intelligence which our farmers display in breeding some of the best sheep, and in making butter which is famous for quality as well as price, would, if exercised in the cultivation of fruit, secure to each ordinarily a good supply and variety of fruit, as the exhibition by Mr. Whitlock of so many specimens of "home-made" varieties fully demonstrates. The season is near at hand when the hurry of farm work is nearly over, and the time to transplant fruit trees begins. A small outlay and a little timely attention will enable all who have a few rods of land to put themselves in the way of drinking cider while they eat the pulp of their own healthy fruit, and take a little wine for the stomach's sake, hidden in the "sugar-coated pill" of luscious grapes. Let those who have land and children encourage their children to plant, and tend, and raise fruit. It will pay in a hundred ways—"some twenty, some sixty, and some a hundred fold."

**FULTON MARKET.**—Just received, a nice lot Dried Beef, Sugar Cured Hams, Bologna Sausage, Sweet Potatoes, Tomatoes, Pears, Peaches, Water Melons and Musk Melons. dtf-94.

The palm of superiority is awarded to Mrs. S. A. Allen for her Improved (new style) Hair Restorer or Dressing, (in one bottle,) and a grateful public appreciates the very low price, One Dollar. Every Druggist sells it. 4w

**THE GREAT MUSIC HALL ORGAN.**—Since the introduction of this noble instrument, a higher standard of organ music has been presented to the public, and every Wednesday and Saturday noon, people from different portions of the country, who happen to be journeying through the city, gather to listen to the tones of the grand King of Instruments, and thus the taste for a purer style of organ music has, in a degree, been created. Even those who have long studied the piano are beginning to desire a class of music with sustained chords and suspended harmonies, and many are introducing into their homes the American Organ, manufactured by S. D. & H. W. Smith, of Boston, with which the excellent organ pieces may be so finely rendered and enjoyed in the parlor. These instruments have also greatly assisted in elevating the taste toward a better class of music, and have been very efficient in developing the latent talent in the home circle.—*Boston Post*.

**PERUVIAN SYRUP.**—This valuable medicine has been silently making its way into public favor by the numerous remarkable cures it has performed. Its singular efficacy is owing to the protoxide of iron, which remains unchanged in the preparation, and is the only form in which this vital element of healthy blood can be supplied.

**NEVER TOO LATE TO MEND.**—After nearly ruining your hair by the use of hair preparations, under the name and guise of "oils," apply Barrett's Vegetable Hair Restorative, which not only renews but restores it to its original softness and lustre.—*Terre Haute Express*. d&w

**Sciatica** is a pain beginning at the hip and follows the course of the sciatic nerve, and is generally a purely neuralgic or nervous pain. To cure it, use Renne's Pain-Killing Magic Oil on the painful parts, and also in the hollow of the foot. If the blood be in a low state, a preparation of iron must be given at the same time—but the Magic Oil alone generally cures.

**LOST.**  
 BETWEEN Fulton Market, St. Albans, and the Fair Ground, or on it, a dark colored morocco wallet, containing \$151, and a receipt from Lawrence & Co., Boston, to E. C. Gallar. The finder will receive a reward of \$150 on returning the wallet to  
 E. C. GALLAR, miller
